

Clelands

**ARE YOU UNDER 26?
DO YOU LIVE IN THE BORDERS?
DO YOU WANT TO IMPROVE YOUR DRIVING?**

FOR FREE!

With generous sponsorship from John Cleland's Volvo and Jaguar dealership in Galashiels the Borders Group of Advanced Motorists recently launched their Young Driver Initiative.

Any young driver (under 26) normally resident in the Scottish Borders can apply as long as you have no motoring-related court proceedings pending – penalty points on your licence are not necessarily a problem.

Under the scheme you will be paired with one of the Group's volunteer Observers who will first assess your driving and then, over a number of 'observed drives', you will be coached towards the standard required to take and pass the IAM's Advanced Driving Test.

Advanced Drivers are safer drivers, enjoy their driving and can benefit from insurance discounts and lower maintenance costs.

Advanced Driving **IS** about making good, safe, progress.

Advanced Driving **IS NOT** about driving everywhere at no more than 40 or 50 mph.
